MHEC
PERSONALIZED PROCUREMENT

MHEC is your trusted procurement partner, helping you save money, stay compliant, and operate more efficiently.

Founded in 1977, MHEC develops, manages, and owns all of our contracts, which are publicly-bid in a fair, open, and competitive manner to meet the highest standards of procurement compliance.

We proudly serve New England's higher education institutions, municipalities, K-12 schools, libraries, and other non-profits with an educational focus.

Our model is built on trust, transparency, and personalized procurement designed to serve the diverse needs of our membership.

With a leapfrog mindset, we continuously seek innovative solutions that anticipate challenges, remove barriers, and help our members move farther, faster.

Why Use D32 Medical and Dental?

Fully Compliant and Audit Ready: Publicly bid in a fair, open, and competitive manner that meets New England's procurement best practices, providing the compliant foundation for MHEC's personalized procurement.

Savings Without the Hassle: Reduce healthcare procurement costs through pre-negotiated contract pricing, including catalog discounts of up to 50%, free shipping programs, volume-based rebates, and supplier incentives across medical, dental, simulation, first aid, nursing, and diagnostic equipment categories. Members gain access to thousands of products from leading healthcare suppliers while avoiding the administrative costs of conducting their own solicitations.

Scalable Procurement: Our suppliers are equipped to service both quick, single-item purchases and highly customized projects. This contract can flex to meet your exact capacity needs.

From Simulation Care to Patient Care: Access 850 leading brands such as Laerdal, Gaumard, Pocket Nurse, Welch Allyn, Phillips, Baxter, Medline, Dynarex, 3M, and Zoll through a single contract. Reduce administrative burden, consolidate purchasing, and equip healthcare, nursing, dental, athletic training, and emergency response programs with the products they need from trusted suppliers.

Find Highly-Specific Technologies: Beyond standard gloves and bandages, this contract offers cutting-edge solutions like "SimCapture" debriefing software and "vSim" virtual learning modules for risk-free clinical hours. K-12 health coordinators fighting poor ventilation can install CASPR continuous air and surface disinfection technology and University EHS Managers can source clean air work stations.

MHEC Offers Local and Diverse Suppliers: Eight of the 18 suppliers on this contract hold diversity and/or small business classifications, allowing you to hit your diverse spending goal.

Contract Term: 8/1/2022 through 7/31/2027
