MHEC
PERSONALIZED PROCUREMENT

MHEC is your trusted procurement partner, helping you save money, stay compliant, and operate more efficiently.

Founded in 1977, MHEC develops, manages, and owns all of our contracts, which are publicly-bid in a fair, open, and competitive manner to meet the highest standards of procurement compliance.

We proudly serve New England's higher education institutions, municipalities, K-12 schools, libraries, and other non-profits with an educational focus.

Our model is built on trust, transparency, and personalized procurement designed to serve the diverse needs of our membership.

With a leapfrog mindset, we continuously seek innovative solutions that anticipate challenges, remove barriers, and help our members move farther, faster.

Hazardous, Electronic and Medical Waste

E15
BRAND NEW CONTRACT!

MHEC's E15 contract offers streamlined access to highly specialized environmental, hazardous, and medical waste solutions. Built for K-12 schools, municipalities, and university campuses across New England, our providers ensure regulatory certainty and safe disposal.

From secure data destruction and routine e-waste clearing to sudden biological spills and emergency response logistics, E15 delivers the exact ecological services facilities and safety teams need under a single, convenient contract.

Our Awarded Suppliers

United Medical Waste Management Inc
Webb F.W. Webb Company
Clean Harbors Environmental Services
Island Pump & Tank Corp
Republic Services
Triumvirate Environmental
CleanEarth
Strategic Environmental Services
nlr
Tradebe Environmental Services
Good Point Recycling

Why Use E15 for Hazardous Waste Removal?

Fully Compliant and Audit Ready: Publicly bid in a fair, open, and competitive manner that meets New England's procurement best practices, providing the compliant foundation for MHEC's personalized procurement.

Member-Only Pricing and Discounts: MHEC members receive exclusive contract pricing and discounts providing significant savings through the collective purchasing power of the consortium. In addition to contract pricing, members may qualify for special promotions, volume-based discounts, rebates, and other value-added incentives under the terms of the agreement.

Scalable Procurement for Any Project: Suppliers are equipped to handle everything from single-item purchases, with minimum orders as low as $75, to complex campus projects requiring custom volume discounts.

Specialized Services and Green Infrastructure: This contract provides access to specialized environmental services that support regulatory compliance, sustainability initiatives, and the safe management of hazardous, electronic, medical, and universal waste streams. In addition, participating suppliers offer solutions that support green infrastructure and environmental stewardship goals, helping members reduce waste, increase recycling and diversion efforts, improve operational sustainability, and meet institutional environmental objectives.

Contract Term: 11/1/25 through 10/31/30

E15 Contract Categories

Hazardous Waste Management and Disposal

Chemical and Lab Waste: Lab packs (organics, oxidizers, reactives, flammables, corrosives, acids, bases, pesticides, non-hazardous), chemical testing, and testing analysis

Industrial and Automotive Waste: Motor oil, hydraulic oil, spent antifreeze, used oil filters, grease trap waste, oil/water separator sludges, PCB, solvents, and bulk resins/adhesives

Specialty/Heavy Materials: Heavy metal bearing solids, contaminated soil, asbestos materials, aerosol cans, and radioactive water (liquid scintillation vials)

Electronic Waste (E-Waste) Recycling and Data Destruction

Consumer and Office Electronics: Computers, monitors, televisions, tablets, e-readers, cell phones, digital cameras, printers, keyboards, mice, cords, and multi-functional products

Appliances and Equipment: Air conditioners, dehumidifiers, power tools, video game equipment, and solar panels

Services and Packaging: Certificates of data destruction, third-party validation of data destruction, in-house data wiping, pallets, gaylords, and e-waste collection events

Universal Waste Management

Lighting and Power: Lamps, bulbs, ballasts, and various batteries (including automotive)

Mercury and Components: Mercury spill kits, barometer removal, capacitors, and transformers

Packaging: Drums, pails, boxes, and certificates of disposal

Environmental Training, Labor, and Testing Services

Training Programs: OSHA, RCRA, DOT, HAZWOPER, IATA, Universal Waste Handling, Waste Tracking, E-Cycle courses, and Pollution Prevention

Specialized Labor: Field technicians, project managers, and high-hazard mobilization crews

Transportation and Emergency Response Logistics

Transportation: Box trucks, service vehicles, crew cab lift gates, routing fees, and expedited pick-up charges

Emergency Services: Emergency response pick-up, remote opening charges, and emergency recovery fees

Tanks and Storage Services

Tanks and Cylinders: Propane, acetylene, butane, ethanol, helium, and fire extinguishers (halon and non-halon)

Underground/Aboveground Storage: UST (Underground Storage Tank) and AST (Aboveground Storage Tank) oil and gasoline maintenance/disposal

Medical and Biohazardous Waste

Biohazardous Materials: Injectables/sharps, pathological waste, animal waste, chemotherapy waste, pharmaceuticals, and regulated autoclave incineration

Supplies and Services: Biohazard bags, biohazard tape, sharps mail-back systems, and waste stream management analysis

Also Offering

- Solar Panel Recycling and Disposal
- Firearm Range Clean-Up Services
- CDC and USDA “Select Agents” Disposal
- Third-Party Validation of Data Destruction
