Technology: Apple

F01
BRAND NEW CONTRACT!

Streamlined Procurement

Equipping your school districts, digital classrooms, and community spaces with world-class technology shouldn't be a challenge. For educational and municipal leaders tasked with orchestrating large-scale device deployments or upgrading specialized workstations, the F01 technology contract fundamentally changes how you acquire compliant Apple hardware and software.

Compliant and Comprehensive

This contract wraps educational ecosystems, robust institutional warranty protection, and enterprise-grade computing into a single, fully compliant package. It empowers your IT coordinators and department heads to focus on their core mission: serving their students, faculty and other stakeholders.

Apple Financial Services Leapfrog Budget Barriers

Within this contract are highly specialized funding avenues like the Apple Master Lease-Purchase Agreement and Apple Financial Services. These flexible tools allow school districts and local governments to bypass capital bottlenecks by immediately securing industry-leading technology, digital learning tools, and professional creative labs today, while managing the fiscal impact responsibly over time.

Why Use F01 for your Apple Business purchases?

Fully Compliant and Audit Ready: Publicly bid in a fair, open, and competitive manner that meets New England's procurement best practices, providing the compliant foundation for MHEC's personalized procurement.

Access Apple EDU Pricing: Members enjoy cost avoidance on their Apple purchases in addition to saving time, energy and effort on their administrative load.

Scalable Procurement for Any Project: Whether a Municipal IT Manager needs a quick, single-item purchase for a town hall meeting, or a K-12 Technology Coordinator is planning a district-wide iPad deployment, this contract scales to your needs. With access to the entire Apple catalog and specialized Apple EDU offerings, members can secure everything from individual department requests to large-scale educational rollouts.

Warranty and Lifecycle Certainty: K-12 Technology Coordinators know that student device breakage is a major pain point. Apple Warranty is a built-in layer of protection that removes doubt and adds certainty to the lifecycle of your tech.

Contract Term: 12/1/2025 through 11/30/2035
